Continuous Present

October 6, 2009–January 10, 2010

Continuous Present features a selection of work by 11 of today's most compelling contemporary artists working in a broad array of media, including film, video, photography, painting, and sculpture. The artists chosen for the show—Francis Alÿs, Peter Fischli and David Weiss, Rodney Graham, Roni Horn, On Kawara, Thomas Nozkowski, Gabriel Orozco, Laura Owens, Dieter Roth, and Franz West—share a keen interest in time and sensory perception despite the aesthetic diversity of their practices. Their work reveals the capacity for art to profoundly reposition our physical and intellectual engagement with the world around us as they invite us to experience the “continuous present.”
